

# No Confidence in the Flesh

Philippians 3:1-6

## I. Them (v. 1-2)

### A. Look Out!

1. Mark 7:24ff - The truly humble take no offense
2. Our primary need is for God's mercy.

## II. Us (v. 3-6)

A. We are the true circumcision.

B. We put **NO CONFIDENCE** in the flesh.

C. Paul's own history and choices, and even he would not put confidence in the flesh.

### Take aways:

Be careful that we understand clearly that we are justified by faith alone.

Be careful to root out legalism that condescends and judges.

Remember, the gospel naturally motivates obedience. You have been freed to obey.
