

COMMUNITY GROUPS SIGN-UP

Community Groups are ideal for growing as a disciple of Christ through personal relationships with each other and participating in the community around us. With God's Word as our foundation and guide in our daily lives, Community Groups foster discipleship by committing to prayer and loving one another.

Chapin Presbyterian Community Groups usually meet in homes, generally 2-3 times per month. Some share a meal or snacks, then come together for Bible study. Community Groups include participants of all ages and stages of life.

New leaders are encouraged to start new groups. If you want to grow in your faith walk by leading a Community Group, please contact Pate Cooper (patecooper@msn.com) for more information.
